

Spiritual Warfare Presentation Overview:

I have divided the presentation into these topics:

- 1. Why is it so hard to talk about spirituality.**
- 2. Spirituality Defined.**
- 3. Spiritual War Defined.**
- 4. Spiritual War Solutions**

The members of our group have different views on spirituality. This is an great opportunity to learn from each other.

It is important to allow others to have different opinions than we do. My goal is to make this a safe place for everyone.
