

Hi Bill,  
Please share this with the group.

Follow up report on the fun 10/14/23 event.

1. Thank you to all that brought items
2. It was a fun day together, and many items were placed on the board.

Well done All of you!

Thank you Lori for working on writing the handout with me.  
Thank you Bill for bringing the boards to write on, and the markers.  
Thank you all of your for bringing items, ready to play!

On a Solari talk Catharine said:  
"The currency of the future will be relationships & trust"

This experience is a fun way to build Relationships & Trust, as many of you shared.,  
and many shared they learned a skill too.

FYI:  
1 comment was, it might be a good idea to bring more than one item, in case there are extra boards.  
Yes, if you are able to, sometimes there is something you are interested in, on a 2nd board,  
so you are prepared with an additional item possibility.

Every board went very well, and many items were brought and everyone participated.  
Results:  
Sandy led the first 3 boards:  
1- 4 way \$10 value exchanges were completed..  
1.-3 way \$25 value exchange was completed  
1-2 way \$10 value exchange was completed

Then Nancy mentioned it would be a fun thing to do with friends, or family, therefore,  
Nancy volunteered to lead a board for her to practice. She did very well,  
and 1-4 way exchange was completed!

And then the last hour, Mike the head of finance committee, gave a great talk on Investing ideas,  
and importance of Stores of Value, and more.  
A great discussion & q & a followed, and we finished on time at 1pm.

Once the meeting was over a few people followed up on some additional items they brought,  
that they did not get a chance to present, and since they saw something they might want,  
in the exchanges, they spoke to each other after the meeting was over & did a 2 way deal afterwards.

Also, thanks to about 1/2 of the group stayed afterward, helping put away all of the chairs.  
A great conversation continued on various topics afterwards with 1/2 of the group.

It is all Wonderful relationship building.

Also, It was also appreciated by Bill to have help bringing all of the boards, stands, etc to his car by many of you.

Also, Thank you Bill, the name tags worked out great too.

Thank you all for participating fully. It was a success because of all of you.

Practice with family or friends, and have fun.

As Catherine says,

"The Currency of the Future is Relationships & Trust"

It is a great way to get acquainted, or meet & get to know each other, and have fun.

With appreciation,

Sandy
